THATO JAMES MOTEKANG

JUNIOR SOFTWARE DEVELOPER |

OBJECTIVE

Skilled multitasker with superior work ethic and good teamwork, problem-solving and organizational skills. Willing to take on any task to help team. Reliable and dedicated team player with a hardworking and resourceful approach.

EXPERIENCE

Despite my limited experience in the software development industry, I am fueled by an insatiable eagerness to learn and grow. While I may lack the extensive background of seasoned professionals, I am driven by a passion for technology and a relentless determination to excel. I am fully committed to investing the time and effort required to acquire the skills and knowledge necessary for a successful career in software development. I am eager to immerse myself in new challenges, absorb information like a sponge, and collaborate with experienced professionals to broaden my understanding of the field. With a proactive mindset and a hunger for knowledge, I am confident in my ability to overcome any obstacles and make significant contributions in the software development space.

SKILLS

Excellent writing and communication skills, with experience creating high-quality content. As well as coding experience in web development.

Moderate knowledge of coding languages, techniques, and trends, with a strong ability to research and analyze information.

EDUCATION

BACHELORS PASS • 2021 • ST FRANCIS COLLEGE

I also attended an online school in the gap between matric and my first year in tertiary learning the necessary coding skills in order to understand and excel in my chosen career path.

FIRST YEAR • 2023 • CTU TRAINING SOLUTIONS

As well as performing well in my first year I also took international exams in order to get more certifications one of them being DP-900.

LEADERSHIP EXPERIENCE

As the captain of my primary school rugby team, I was entrusted with the responsibility of leading my peers both on and off the field. This role instilled in me valuable leadership qualities that I have carried with me since then. While I have yet to fully put these qualities to the test in a professional setting, I am eager for the opportunity to do so in the future. Leading a team taught me the importance of effective communication, strategic decision-

making, and motivating others to perform at their best. I am confident that these skills will serve me well as I continue to pursue opportunities to lead and make a positive impact in my career and community.
